Sir:

Omega Engineering, Inc., a Delaware corporation having a principal place of business at One Omega Drive, Box 4047, Stamford, Connecticut 06907-0047, assignee of record of the above identified application, hereby disclaims, except as provided below, the terminal part of any patent, granted on the above-identified application, which would extend beyond the expiration date of Patent No. 5,368,392 and of Patent 6,341,891 as presently shortened by any terminal disclaimer. Petitioner hereby agrees that any patent so granted on the above identified application shall be enforceable only for and during such period that it and the above listed patent are commonly owned. This agreement runs with any patent granted on the above identified application and is binding upon the grantee, its successors, or assigns.

Please charge any necessary fee to Deposit Account 04-1675. Two copies of this sheet are enclosed.

Respectfully,
